Anything else that will fit in our oven, stripped, blasted & powder coated to your requirements		Priced as seen

All prices shown are inclusive of VAT (at 20%). As a guide, blasting is priced at £60 per hour. Stellablast is only responsible for the paint finish applied and not for the structural integrity of any items.

Please ensure alloy wheels do not have magnesium content as our chemical strip process may cause significant damage and Stellablast will not be held liable for any subsequent damage caused.

*Motorbike wheels - price does not include balancing
